Girls Division Vision and Mission Statements

Vision Statement
Background: In developing this vision statement, an examination took place concerning the popularity of youth volleyball, the resources available to clubs in the Intermountain Region, and the interpretation of the intent of junior volleyball participants. Directives from USA Volleyball were incorporated, with special attention given to the present qualification process for the Girls Junior National Championships. Due to the expanded opportunity that out-of-region competition offers to clubs, inter-regional communication was also included. A commitment to enhancing the development of all levels of play, while not abandoning the elite level of competitors, was reinforced.

The “Vision” is to promote participation in a quality program that provides a positive and safe athletic environment through a variety of developmental and competitive opportunities for junior girls of all ages, skill levels, and diverse groups.

Mission Statement
Background: Paramount in the creation of this mission statement was a concern to accommodate the growth of volleyball in the Girls Division and how it should offer updated and flexible competitive opportunities with varied formats, sites, and tournaments dates. Sensitivity was applied to elite and entry-level play and how tournaments could best serve these diverse participants. Furthermore, travel costs and the strain of extended travel were given special consideration. The IVA’s future programs will reflect a commitment to varied and non-discriminatory opportunities with the entire geographical region hosting competitive sites each season in order not to isolate distant volleyball communities.

The Girls Division will create a diverse and varied system of competition. It will develop education and training programs for all players and participants. The Division will create non-discriminatory entry-level playing opportunities. It will create reciprocal relationships for inter-regional, national, intra-regional, and international competition. The Division will establish partnerships with related groups to promote junior girls volleyball.

GIRLS DIVISION – FORMAT

Sanctioned Tournaments

❑ Teams wishing to enter into sanctioned tournaments should review the IVA website (www.imvolleyball.org) for the list of available tournaments.
❑ To enter into sanctioned tournaments, teams will need to follow the registration instructions listed by each event on the IVA website.

Tournament Sanctioning

❑ To apply for a sanctioned tournament, clubs must submit the tournament sanctioning form. The application must be submitted a minimum of 10 days prior to the requested event date and will receive a decision within 4 business days.
❑ Clubs may set their own entry fees and will be responsible for collection of all fees in addition to confirming that all teams adhere to the registration requirements as set by the Region.
❑ Insurance certificate requests for your event must be requested no later than 10 days prior to the event.
❑ All participants at any sanctioned event must be registered members of a region of USA Volleyball.
❑ Clubs will be charged $10 per registered team per sanctioned event which will be due to the region no later than 5 business days after the end of the sanctioned event.
❑ Prior to the event occurring, the club running the event will be required to submit the rosters of all participating teams for membership verification.
❑ Rosters must be submitted a minimum of one week prior to the event, exceptions will be made for last minute adds to replace teams that may drop from an event.

Protests

1. If an explanation of an application or interpretation of a rule is not satisfactory to the game, captain, he/she must immediately indicate his/her disagreement and file a protest prior to the authorization of the next service. If the disagreement with the referee’s explanation involves the last point of the set, the official protest must be recorded within the first 60 seconds of the times interval between sets. (For 14-and-under competition, the coach may act instead of the captain.)

❑ If the final point of the match is disputed, the protest must be recorded before the referees leave the playing area. (Appointed IVA Protest Committee/Tournament Director either immediately or prior to the start of the next set).
❑ It is advisable to have an assigned Protest Committee (Tournament Director) available to rule upon a protest as soon as possible prior to the first service following the protest. Such action should preclude playing the match over from the point of protest if the protest is upheld.

Protests considered by the first referee (Protest Committee or Tournament Director) include:

1.) Misinterpretation of a playing rule
2.) Failure of the first referee to apply the correct rule to a given situation
3.) Failure to charge the correct penalty-sanction for a given fault

Protest facts recorded on the score sheet include the:
1.) Score of the set at the time of the protest
2.) Players and positions at the time of the protest
3.) Player substitutions and team substitutions made up to the protest
4.) Team time-outs taken up to the protest
5.) Situation that caused the protest
6.) Signatures of the scorer, captains and first referee, indicating the facts are correct

**Tie-Breaking Procedure**

**2-Way Ties**

2-way ties, in match record, in a pool are broken by head-to-head competition results between the two tied teams.

**3-Way Ties**

3-way ties in a pool are broken by:

1st Matches  Won/lost record.

2nd Sets  Won/lost percentage. Calculation: the team’s total number of sets won divided by the team’s total number of sets played equals the won/lost percentage. The highest percentage wins the pool.

3rd Point Differential  Determined among the tied teams. Calculation: the team’s total points scored minus the team’s total points allowed in ALL the matches of the pool.

**Note:** If three teams have the same match record but a different set record, only the teams with identical set records are tied. If match record and set record are the same for all three teams, then point differential will be used to break the tie.

GIRLS DIVISION – POLICIES

Recruiting Policy

❑ The IVA Girls Division sanctioned season begins on November 1, 2018 and concludes the day after the last day of the Junior National Volleyball Championships. Regardless of either event, the conclusion of the Girls Division sanctioned season will not extend past July 31st.

❑ Once a player has committed to a team during the IVA sanctioned season, club directors and coaches from other IVA clubs must respect the player’s commitment and cease recruiting the player. If a recruiter contacts a player who has signed a commitment to another team, the player must notify the recruiter of the commitment. After notification, the recruiter shall not contact that player or the player’s family.

❑ A recruiting violation occurs when an IVA-registered club director and/or coach from one IVA-registered club makes initial verbal or written contact with an athlete, or the athlete’s parents, from another IVA-registered club with the intent to persuade the player to leave the present club and join another club.

❑ The suggested maximum penalty may include, but is not limited to, a monetary fine and/or a suspension of IVA membership for a period of one year, beginning on the date of the final ruling.

❑ If a club director or coach is found guilty of committing a recruiting violation, the guilty party may make an appeal. A special Board of Inquiry Committee will hear the appeal and will make a ruling. The decision of this Committee will be final.

❑ If a player or parent makes the initial contact, a club director or coach may answer questions and inform the player or parent about the club’s specific program without fear of committing a recruiting violation. It is strongly recommended that all club directors and coaches refrain from making negative comments concerning other clubs or their staff.

❑ A player who has committed to a club and then wishes to transfer to another club must follow the IVA’s Procedure for Player Transfer. This is irrespective of the length of a player’s membership with that club.

Minors Coaching

❑ Anyone that would like to coach a Junior Team that is age 17 and under is allowed to be an assistant coach. All teams must have a head coach age 18 or older.

❑ A head coach must always be present at all times. An assistant coach is not allowed to coach by themselves at practice/tournaments, etc.

❑ Any individual who is not yet 18 years old and who is in a non-player role affiliated with a junior club must be background screened immediately upon reaching 18 years of age. A 30-day grace period shall apply from the date of the 18th birthday in order to allow time for the background screening to be processed. During the 30-day grace period, the same restrictions apply to the individual and should be enforced as are in place for junior coaches regarding supervision by a qualified adult.

Club to Club Player Transfer

Junior players are eligible to play for any club or team until the start of the IVA-sanctioned season, which begins on November 1st. During the sanctioned season, a player is to remain a registered member of that specific club throughout the season. However, during the sanctioned season, a player or parent may request a transfer to another club.
**Guidelines**

- A player CANNOT participate in any practice or tournament until the IVA has approved the transfer.
- A player can only transfer provided they remain in the same age definition or higher. Example: If you a 16 year old is playing in the 18’s division, you cannot transfer back to the 16’s Division. However, if you play on an 18’s team and need to transfer to a different club, you can play on a 17’s team provided the player is within the USA Age Definition.
- Once a team has qualified, or attempted to qualify, for a National Bid to the Junior National Championships, that team’s roster is frozen. See USAV website for Frozen Roster Verification Rules.
- A new player may be added to any team’s roster at any time provided the player has never been registered with another IVA-registered club for that season.
- Following Power League #3, you cannot transfer a player from one club to another club.
- If the current club director will not sign the form to release the player, the player or parent may submit a written appeal to the IVA, and the IVA Office will make the necessary contact(s).
- The IVA Office has the right to release the player whether or not the current club director responds.
- The IVA Office also has the right to uphold the current club director’s decision to not grant the player release. In either case, each party has the right to appeal to the Commissioner, then a Committee and then the IVA Board of Directors. The IVA Board of Directors’ decision is final.

**Adding New Players to a Roster**

- A new player may be added to any team’s roster at any time provided the player has never been registered with another IVA-registered club for that season. Appropriate paperwork and fees must be submitted to the IVA Office before the player participates in any practice or tournament and update your roster online.
- Any player or club found illegally transferring players between teams within their club or illegally adding new players to a roster may be subject, but not limited, to fines and/or suspension of the club director, coach, and/or player(s) involved.

**Regional Jurisdiction Policy**

- Players on IVA teams must reside within the IVA region’s geographical jurisdiction (as approved by USA Volleyball).
- Players who reside within the IVA region’s geographical jurisdiction cannot play on a team that is under the jurisdiction of another Regional Volleyball Association.

- will abide by all applicable federal, state, and local laws while attending any match
- will cheer positively for my team, using socially acceptable language

- will use only designated smoking areas that are clearly posted
- will use litter receptacles to properly dispose of trash

- will positively promote and publicize volleyball
- will hire positive role models for athletes
- will assist in the provision of appropriate first aid and injury treatment of athletes
will inform all parents participating with my club that all questions at any tournament should be addressed by contacting the Head Coach or Club Director and not the Tournament Director directly.

**Officials Code of Behavior**

As an official, I:

- will maintain a dignified appearance at all times
- will display impartial, consistent and courteous officiating behavior
- will display quiet efficiency in the performance of officiating duties
- will enforce rule modifications for those with special needs
- will work with other officiating personnel as an officiating team
- will accept officiating feedback positively

**Successful Coaching Behavior**

The successful coach is one who conveys:

- the joy of competition
- the meaning of effort.
- the worth of character
- the power of kindness
- the wisdom of honesty
- the influence of example
- the rewards of cooperation
- the virtue of patience
- the importance of fair play

**Bill of Rights for Young Athletes**

I have the right to:

The IVA supports the American Sport Education Program Bill of Rights for Young Athletes:

- participate in sports
- participate at a level commensurate with each child’s maturity and ability
- have qualified adult leadership
- play as a child and not as an adult
- allow children to share in the leadership and decision making of their sport participation
- participate in safe and healthy environments
- have proper preparation for participation in sports
- equal opportunity to strive for success
- be treated with dignity
- have FUN in sports

**Bill of Rights for Parents when joining a club:**

I have the right to:

- be treated with dignity and respect
- share in the leadership and decision making of your athlete
- approach the leadership of the club organization with which you are involved
- cheer for your child in a positive manner
- verify your coaches/team qualifications
- ask questions and receive answers
- ensure that the adults involved with your child are positive role models
- talk to parents, other players and/or other clubs
- have your child tryout without discrimination
- request a clear disclosure of financial obligations
- clubs statement of philosophy
☐ be informed about your child’s role on the team

☐ have your child tryout out for more than one club and be allowed time to make a decision as specified by the tryout policy

☐ the knowledge of the time, travel and financial commitment of your involvement with the club/team.

☐ knowledge of how many spots are available before tryouts begin

☐ remove your child from an event/practice if you feel it is unsafe for your child to continue without repercussions

☐ know that all club affiliated staff are members of the IVA and background checked.

☐ Ask your club director if they adhere to all State and Federal business requirements and laws

**Ethics Committee**

☐ Background: Given the scope and growth of Junior Girls Volleyball in the Intermountain Region, there are increasingly more issues with which to contend. Many of these issues occur between clubs and are exhibited by club staff. At the moment, there is no forum for a conciliatory process to remedy these problems. Poor behavior on the part of club representatives, coaches, players, parents, officials, or tournament staff are issues that call for attention and mediation.

☐ The IVA recognizes each club’s right to establish and execute its own policies within the confines of its teams, but when an IVA-registered club’s actions affect another IVA-registered club, a method of ethical and professional mediation is required.

☐ When the need arises, an Ethics Committee will be formed by the IVA to act as a mediator in addressing ethical issues and situations.

**Violations**

☐ Failure to abide by these codes of conduct can jeopardize your players, coaches, and club. Violations can range from fines to suspension. Please see page 25.
SANCTIONS
GIRLS DIVISION – SANCTIONS

Illegal Player
An illegal player is one who:

-Competes under elements of false identification such as name, birth date, club affiliation, etc.
-Competes, but is not registered with the IVA.
-Competes on two teams in the same tournament.
-Competes in an event with another team while the player’s original team is being sanctioned for an offense.

  - Illegal players, the team coach, and the club director will fall under the guidelines of the due process procedure. Penalties may range from, but are not limited to, immediate suspension of an individual to the suspension of the entire club and monetary fines.

Age Falsification
For all IVA events, any person who alters any document that certifies the age of a participant, or falsifies any statement that lists the age of a participant, will be sanctioned according to the terms listed below.

Any team representative, coach, club director, or responsible adult who is found to be party to age falsification shall be:

1. Immediately suspended from registration with IVA/USA and barred from further participation in the event; and
2. Barred from participation in any IVA/USA events in any capacity for a minimum of two (2) years; and
3. Placed on a minimum probation of one additional year, to run consecutively to the suspension.

Junior players who knowingly play in lower age classifications than which they are eligible or adult players who knowingly play in higher age classifications than which they are eligible shall be:

1. Immediately suspended from registration with IVA/USA and barred from further participation in the event; and
2. Barred from participation in any IVA/USA events in any capacity for a minimum of two (2) years; and
3. Placed on a minimum probation of one additional year, to run consecutively to the suspension.

Violating IVA Tryout and Commitment Policies
The following sanctions apply directly to the person(s) violating the policy:

**First Offense:** Suspension from all IVA/USA competition for a minimum of one week up to a maximum of one month, depending on the severity of the violation. Multiple offenses arising from the same incident (for example, multiple players on the same team violate the same policy) will incur separate penalties for each offender.

**Second Offense:** Suspension from all IVA/USA competition for a minimum of one month up to a maximum of one year, depending on the severity of the violation. Multiple offenses
arising from the same incident (for example, multiple players on the same team violate the same policy) will incur separate penalties for each offender.

- All suspensions begin on the date of the first competition following the violation for the penalized person(s).
- All sanctions begin with the first tournament of the season.
- If any person fails to adhere to the terms of a sanction, the individual will be suspended from IVA competition and National events for one calendar year and subject to a lifetime ban. Further, the coaching staff of the team on which the person is registered will be suspended from IVA competition and National events for one calendar year and subject to a lifetime ban. If the individual is the club director, all coaches in the club will be suspended from IVA competition and National events for one calendar year and subject to a lifetime ban.

**Non-Sanctioned Event**

- All tournaments that are listed on the IVA schedule are sanctioned by IVA/USAV. All sanctioned events are covered by the insurance provided by IVA/USAV. Non-sanctioned events DO NOT have insurance coverage by IVA/USAV. If a team participates in a non-sanctioned event, not only does the team play without insurance, but that team will not be permitted to participate in any remaining IVA or USA Region events for the season. This includes the USAV Junior National Championships.
- It is important to remember that all sanctions will be enforced for any sanctioned events within all of the Regions of USA Volleyball. If a team loses competition privileges for the balance of the IVA junior season, the team will not be able to play in out-of-region tournaments run by other Regions of USA Volleyball.

**Scrimmages**

If you would like to host a scrimmage you must complete the required Scrimmage Sanctioning Form on page 44 and submit to IVA for approval.

Scrimmages guidelines:

- A scrimmage consists of four teams or less that participate in a practice-like setting.
- There must not be any use of uniforms, playoffs, results or standings of play, officials, and/or an exchange of money between a club, team, or person for attending the scrimmage.

If these rules are not followed, the club/team may lose their standings within the Region Leagues and may not be allowed to participate in any IVA/USAV sanctioned tournament and/or any USA Region tournament for the rest of the season. The penalty may be extended to the following season.

**Tournament Director’s Authority**

- Tournament directors have been harassed and ridiculed for merely enforcing IVA and site policy and this is entirely unacceptable. Coaches are ultimately responsible for inappropriate actions and/or violations of the site rules/policies by their players, player’s parents, and any other spectator associated with their team or club.
- The tournament director is responsible for running the tournament, enforcing any facility policies (such as the “No Food in Gym” and “No Lawn Chair” policies), and ensuring that all participants and spectators conduct themselves in a suitable fashion.
Tournament directors do not have the authority to change tournament format unless they are directly instructed to do so by the IVA.

Tournament directors will not take abuse from any participant and/or spectator at IVA events. The tournament director has the authority to penalize a team in the manner that he/she sees fit for any misconduct. This means a tournament director may forfeit a set, forfeit a match, disqualify a team, or disqualify a player or coach for violating IVA or Site policy or for improper behavior of a player, coach, parent, and/or spectator of any team.

It is imperative that tournament directors likewise adhere to their specific code of conduct set forth by the IVA. Tournament directors should consider the consequences of their actions and should not make decisions in haste. The IVA supports its tournament directors and expects all participants and spectators to respect and abide by the tournament director’s decisions. For the Tournament Directors Evaluation Form.

Food in the Playing Facility / Failure to Follow Facility Rules

Tournament directors may impose the “13-Point Rule” for teams who are violating the “No Food in Gym” policy. The “13-Point Rule” means that in the team’s next set, the score will begin at 0-13, with 13 points automatically awarded to the opposing team. This will be noted in the tournament director’s report, which will result in the club’s being fined a minimum of $100 and receive last place finish/points if they apply. During the tournaments located in Convention Centers, if your team is caught with food you may be removed from the tournament.

Additional Sanctions

Specific sanctions are mentioned and described in various sections of this Handbook, and in some cases a specific penalty is associated with a particular violation. In addition, IVA has the right to impose sanctions with respect to any violation of any other part of this Handbook, or any violation of USA Volleyball’s Code of Ethics, Code of Conduct, Participant Code of Conduct, Eligibility Rules, Substance Abuse Policy, or other policy, as well as any other indiscretions not specifically covered in this Handbook or policies of IVA or USA Volleyball. The extent and type of sanctions imposed shall be at the sole discretion of the IVA, subject to the due process procedures described herein.

Sanction Procedure

Confirmation of missed officiating assignments, forfeiture of matches, food/drink violations, no shows, use of illegal players, or any other violations that come to the attention of the tournament director will be communicated by the tournament director to the IVA Office. The tournament director will also record all offenses on the appropriate forms. After the event in question, the IVA Office will confirm the offense(s) with the club director and sanctions will be imposed if appropriate. The IVA Office will record all offenses in the team's folder.

Sanction Appeal Process

Any sanction that does not involve probation, suspension of any duration, or expulsion (severe sanction) shall take effect as soon as it is imposed either by the tournament director or the IVA office. Any club director or participant who is penalized with a sanction that is not a severe sanction shall have the right to appeal the sanction, by the earlier of the seventh day after receiving the sanction or the club's or
participant's next scheduled event, whichever is first. An appeal shall consist of a letter from the club or participant who has been sanctioned along with any other materials the club or participant chooses to provide. Appeals of non-severe sanctions shall be considered, as soon as reasonably practicable by the IVA Office, in consultation with the tournament director. IVA shall provide the club director or participant with written notice of its decision, and there will be no further appeal of the matter.

- Sanctions involving facility rules/policies such as food policies will not be required to identify the persons and/or specific team incurring the sanction. The Tournament Director will determine the club affiliation for the sanction. These Sanctions may not be appealed based on questions regarding the person and/or specific team involved in the incident. While the Tournament Director may choose to notify the Club Director on site at events in Convention Centers, it is not mandatory to do so. The Tournament Director is not required to give a warning for these Sanctions at any time.

- Severe sanctions will be handled under IVA's due process procedures.

**Due Process**

- Every individual or team (participant) who participates in volleyball events that fall under the jurisdiction of the Intermountain Volleyball Association (IVA) is entitled to due process whenever IVA proposes, as part of the penalty levied against the participant, to expel, suspend, or place the participant on probation, a violation of which could result in suspension or expulsion. To the extent that USA Volleyball’s Due Process Procedures are inapplicable to a given matter because the matter is within the jurisdiction of the IVA or to the extent that USA Volleyball directs IVA to handle the particular matter, the following Due Process Procedures shall apply.

**IVA Due Process Procedure**

Notice of specific charges, or alleged violations, will be made in writing to the participant, along with an explanation of the potential consequences if the charges are found to be true. This notice will be delivered by certified mail or personal delivery. If necessary, to be practical and/or timely, initial notice may be verbal. All verbal communications will be followed by written notice via certified mail or personal delivery. A notice will include the following items:

1. **Summary of the charges or alleged violations.**

   Statement that the participant has a right to respond in writing with delivery to the IVA Office within twenty (20) days from the date the written notice was sent.

   Statement that the participant has a right to request a hearing before the IVA Review Committee by delivering a written request for a hearing to the IVA office, within twenty (20) days from the date the written notice was sent.

   An explanation of any potential consequences if the charges are found to be true. If probation is a potential consequence, the notice shall describe the terms of probation.

   An explanation of any immediate actions taken, which in the sole discretion of the IVA office are necessary to protect the safety of other participants, until the matter can be finally resolved through due process procedures.

   If the participant does not request a hearing within the time provided above:

   The IVA Office shall evaluate all of the information and reach a decision as to the appropriate disciplinary action, or non-action, in keeping with the established codes and policies of the IVA.

   The IVA Office will notify all involved parties of its decision, and there will be no further right to an appeal.
IVA may publish notice of the decision in its newsletter or other materials delivered to members or available on its website.

If the participant requests a hearing in a timely manner, the evaluation will be administered within 30 days by a Review Committee established by IVA. IVA may establish a standing committee to serve as a Review Committee, or it may form an ad hoc Review Committee to consider the particular matter. The Review Committee shall not be a committee reporting to the Board of Directors (BOD) of the IVA, but rather an independent review committee. The Chairperson of the BOD shall select the members of the Review Committee and may replace members of the Review Committee if a conflict of interest or bias exists, or if a Review Committee member is unavailable. The Review Committee will consist of either three or five individuals, and a minority of the Review Committee members may be members of the IVA BOD, provided that such members do not have a conflict of interest or bias for or against the participant in question. One member of the Review Committee will be designated by the BOD Chair as the Chair of the Review Committee. A Review Committee member is considered to have a conflict if any of the following exists:

1. The Review Committee member has a direct pecuniary interest in the outcome of the matter.
2. The Review Committee member has been the target of personal abuse or criticism from the participant in question.
3. The Review Committee member is enmeshed in other matters involving the participant.
4. The Review Committee member may have prejudged the matter because of prior participation as an accuser, investigator, fact finder, or initial decision maker in the matter.
5. The BOD Chairperson may elect to hold the hearing in person or by conference call to accommodate the need for timely action. The participant must consent to any hearing to be held by conference call. Both IVA and the participant may have legal counsel and bring any reasonable number of witnesses. The hearing will not be open to the public.

The hearing or conference call will have four parts:

1. The participant in question has the right to ask questions of the Review Committee members and challenge their bias or ability to be impartial. The Chair of the Review Committee will then consider these challenges and make a determination. If the Chair is being challenged, other members of the Review Committee will make the decision about the bias or impartiality of the Chair. If the Review Committee dismisses a member for bias or conflict of interest and if the Committee is left with fewer than three members, the hearing will end and a new Review Committee will be appointed by the BOD chair.

Presentation of the accusation and all evidence in support of the accusation.

Opportunity by the participant to confront and cross-examine the accusers and to examine and refute all evidence.

Opportunity to present a defense.

The Review Committee will have the opportunity to ask questions of all parties presenting evidence. Either the Participant or the BOD, at either's own expense, may arrange for a transcript of the hearing to be taken and provided to the IVA BOD and the participant. Following the hearing, after the participant and its counsel have left, the Review Committee will meet in private to make a decision. A written decision, with reasons therein and based solely on the evidence of record, will be rendered no later than fifteen (15) days after the hearing and will be forwarded by certified mail or personal delivery to all parties.

Written communication of the Review Committee's decision will contain the following:
1. Decision(s) and reasons for the decision(s) of the Review Committee.

Notice of any severe sanctions and other sanctions, explaining the terms and reasons for the sanctions.

Outline of the further appeals process.

Upon receipt of the Review Committee's decision, any of the participants may file an appeal of the decision in writing with the IVA Office within seven (7) days of the decision. All participant appeals to the IVA Board of Directors must be accompanied by a $100 filing fee payable to the IVA. If no timely appeal is filed, the decision of the Review Committee shall be final, and IVA may publish notice of the decision in its newsletter or other materials delivered to members or available on its website.

A final appeal will then be conducted before the IVA Board of Directors at the date, time, and location of the next regularly scheduled meeting and, in no event, more than sixty (60) days after the mailing of the Review Committee decision. The participant and counsel shall have the right, but shall not be required to, to attend the portion of the meeting at which the hearing will be conducted whether or not the involved parties are present. Each party has the right to be assisted in the presentation of its case at the hearing, including the aid of legal counsel, at the party’s expense. Each party has the right to present reasonable verbal and written evidence, including witnesses. Each party has the right to have a record made of the hearing at the party’s expense.

The IVA Board of Directors may reverse, affirm, or modify the decision of the Review Committee. The IVA Board of Directors then present at such meeting, by a vote of the majority directors present, will render a decision within seven (7) days of such meeting. A written decision will be forwarded by certified mail or personal delivery to all parties.

Copies of all communications and findings will be forwarded to the USA Volleyball Vice President of Regional Operations or Vice President of Youth and Junior Olympic Volleyball as appropriate.

The Board's decision shall be final and binding, and shall not be further appealed within the IVA. The participant shall be entitled to exercise any legal rights that he, she, or it has through USA Volleyball or through courts of law.

IVA may publish the final decision of the BOD in its newsletter or other materials delivered to members or available on its website.

BACKGROUND SCREENING POLICY OF USA VOLLEYBALL AND ITS REGIONAL VOLLEYBALL ASSOCIATIONS – Last revised June 21, 2013

POLICY:

It is the policy of USA Volleyball (USAV) and its Regional Volleyball Associations (RVAs) that any club/entity intending to hire or use registered individuals in any sanctioned junior volleyball events and/or activities (some examples of events or activities that can be sanctioned with regional approval are: tournaments, practices, clinics, tryouts, and fundraisers) will accept and abide by this background screening policy. The following individuals, 18 years of age or older, will be screened: Club directors, club administrators, team reps, coaches, chaperones, and trainers who intend to register, affiliate and/or participate with a junior volleyball club or team in a USAV/RVA. Any Junior Tournament Director/Site Director/On-site Tournament Administrator/Manager and official 18 or older who intends to work a junior sanctioned event will also be screened with the exception of a junior player. Each RVA may also choose to require other members of their organization to submit to and pass a background screen in order to affiliate with their organization. Additionally, the club/entity will enforce the penalties resulting from a negative background screening report. Failure to do so is grounds for automatic suspension of membership privileges to participate in USAV/RVA sanctioned junior events and/or activities. All disqualified individuals have the right to dispute the findings of the background screening directly with the RVA’s approved Background Screen Vendor.

The RVAs and/or USAV will not register, or allow to be registered, any individual who refuses to consent to a background screen if he/she intends to affiliate and/or participate with a junior club/team, in the RVA or any other regional or national junior level programming. Junior members are any members under the age of 18. A background screen will not be required for those individuals who will be classified only as junior players or those individuals not registered, affiliated and/or participating with a junior volleyball club or team in a RVA (other than those categories listed above). For those regions that allow individuals under 18 to be an assistant coach, any individual who is not yet 18 years old and who is in a non-player role affiliated with a junior club must be background screened immediately upon reaching 18 years of age. A 30-day grace period shall apply from the date of the 18th birthday in order to allow time for the background screening to be processed. During the 30-day grace period, the same restrictions apply to the individual and should be enforced as in place for junior coaches regarding supervision by a qualified adult. It is the responsibility of the individual, club and region to identify the individuals in this situation and to meet the background screening requirement. Upon the conclusion of the 30-day grace period, the individual may not participate in a non-player role affiliated with a junior club unless the background screening requirement is met.

All screens will be good for two membership seasons (maximum of 26 months). Anyone that fails a background screen cannot reapply for another screen until the following season. USAV and the RVAs retain the right to require additional background screens at any time with the exception of a junior player. Each RVA may also choose to require other members of their organization to submit to and pass a background screen in order to affiliate with their organization. Additionally, the club/entity will enforce the penalties resulting from a negative background screening report. Failure to do so is grounds for automatic suspension of membership privileges to participate in USAV/RVA sanctioned junior events and/or activities. All disqualified individuals have the right to dispute the findings of the background screening directly with the RVA’s approved Background Screen Vendor.

The complete profile will be sent by email by the USAV/RVA approved Background Screen Vendor to the RVA and/or USAV. USAV and each RVA is required by the policy to accept the findings of the approved background screen. The designated contact of the RVA that submitted the application shall be the “Summary of Your Rights under the Fair Credit Reporting Act” (FCRA), and a notification that the individual intends to work a junior sanctioned event will also be screened with the exception of a junior player. Each RVA may also choose to require other members of their organization to submit to and pass a background screen in order to affiliate with their organization. Additionally, the club/entity will enforce the penalties resulting from a negative background screening report. Failure to do so is grounds for automatic suspension of membership privileges to participate in USAV/RVA sanctioned junior events and/or activities. All disqualified individuals have the right to dispute the findings of the background screening directly with the RVA’s approved Background Screen Vendor.

The above described documents, the USAV/RVA approved Background Screen Consent and Waiver Release form will be submitted and the applicant cleared before the applicant may participate in RVA/USAV sanctioned junior events and/or activities.

Upon receipt of the above described documents, the USAV/RVA approved Background Screen Vendor perform the background screen.

All information received as a result of a background check will be strictly confidential. Notice of clearance or disqualification for all applicants will be provided to:

1. The designated contact of the RVA that submitted the application.
2. USA Volleyball National Office

A notice of automatic disqualification will be sent by email by the USAV/RVA approved Background Screen Vendor to the RVA office. The RVA will provide the approved Background Screen Vendor a contact e-mail for the Club Director or highest staff member for the hiring entity. The approved Background Screen vendor will then contact the Club/entity to provide notice of the automatic disqualification and request additional contact information for the disqualified individual.

The complete profile will be sent by the USAV/RVA approved Background Screen Vendor directly to an automatically disqualified individual using the agreed upon method of delivery, along with a copy of the “Summary of Your Rights under the Fair Credit Reporting Act” (FCRA), and a notification that the individual is prohibited from participating in USAV/RVA sanctioned junior events and/or activities.

All disqualified individuals have the right to review and dispute the accuracy of the background screening findings directly with the USAV/RVA approved Background Screen Vendor. A disqualified individual MAY NOT appeal an automatic disqualification or the results of the findings of the background screen vendor to the RVA and/or USAV. USAV and each RVA is required by the policy to accept the findings of the approved background screen vendor. Individuals automatically disqualified are excluded from participation in any USAV/RVA sanctioned junior events and/or activities.

EFFECTIVE SEPTEMBER 1, 2013, AUTOMATIC DISQUALIFIERS FOR PARTICIPATION IN SANCTIONED JUNIOR EVENTS AND/OR ACTIVITIES:

Anyone found guilty, entering a plea of guilty, or a plea of no contest regardless of adjudication or received court directed programs and/or other sentencing directives in lieu of a finding of guilt, for the following criminal offenses; All Sex offenses, Murder, and Homicide regardless of time limit; Felony Violence and Felony Drug offenses in the past 10 years; any misdemeanor violence offenses in the past 7 years; any multiple misdemeanor drug and alcohol offenses within the past 7 year; or any other crimes (not listed) against children in the past 7 years (the time frames associated with the categories of crime listed above are calculated based on the date of the offense).

Individuals found to have pending court cases for any of the disqualifying offenses will be disqualified. If the disposition of the pending case does not meet the criteria for disqualification as listed above, the individual would then be cleared and reinstated.

Falsification of information on any membership application or the consent/release form is grounds for membership revocation or restriction of membership. Individuals that are automatically disqualified must wait one season before reapplying for affiliation and/or participation with a junior club or team.

ENFORCEMENT:

The hiring entity is responsible for ensuring adherence to this policy, and ensuring that those individuals who are disqualified do not participate in USAV/RVA sanctioned junior events and/or activities.

PENALTY:

Failure of a club/entity to request background screening or enforce disqualification is cause for the RVA or USAV to impose penalties. The minimum penalty shall be suspension of all members of the offending club/entity until background screening and enforcement requirements are met. Additional measures may include financial penalties and/or extended suspensions against disqualified individuals and/or the club/entity.

7. Clubs will not allow club affiliates to participate in any USAV/IVA events or attend practices without being full members of the USAV/IVA. It is the club’s responsibility to ensure that all members of their club who participate at tournaments be registered with USAV/IVA. Clubs will not allow a player to tryout for the club unless the player has a minimum of a tryout membership of USAV/IVA.
8. It is the Club Director’s responsibility to ensure the club follows the policy of the RVA (Regional Volleyball Association) that any club/entity intending to hire or use registered individuals in any sanctioned junior volleyball events and/or activities will accept and abide by the background screening policy. The following individuals must be screened: club directors, club administrators, team representatives, coaches, chaperones, and trainers who intend to register, affiliate, and/or participate with a junior volleyball club or team in a RVA. It is intended that the term “all adult club personnel” be all inclusive and not limited to only those categories identified herein. Additionally, the club/entity will enforce the penalties resulting from a negative background screening report. Failure to do so is grounds for automatic suspension of membership privileges to participate in RVA/USA sanctioned junior events and/or activities.
9. No club will participate in a non-sanctioned volleyball event during the season. It is the club’s responsibility to know if a tournament is sanctioned by USAV/IVA.
10. It is the responsibility of the Club Director to ensure that each Junior Coach carries each participant’s Medical Form Information to every event. 14. It is the club’s responsibility to inform coaches, parents and/or guardians, and players about schedules, formats, deadlines, and sanctions for not meeting a deadline, chain of communication, policies, playing sites/directions and requirements for being a club in the IVA region. This information can be found in the IVA Handbooks and website.
15. The club is responsible for the conduct of its players, coaches, parents, and spectators at events. Failure of attendees to follow all facility rules will incur a sanction as listed under Sanctions in the Handbook.
16. No club may contact an athlete who has committed to another club, either verbally or in writing, for the purpose of persuading them to leave the club to which they have committed. This does not prohibit anyone from giving any player, or the player’s parents and/or guardians, information about their club tryouts, practices, organization or cost, if it is requested by the player or the player’s parents and/or guardians.
17. It is the club’s responsibility to adhere to the age definition set by USAV.

These sanctions may extend to loss of eligibility of the club to register with USAV/IVA. Failure to understand any of the principles of this document does not constitute a defense for violation of its’ rules. Furthermore, failure by a club and/or its club director to abide by the Club Director Code of Ethics will result in the club and/or its club director being subject to revocation, without limitation, to operate a club within the Intermountain Region or any other RVA. I recognize that this Code of Ethics goes beyond the scope of the law, and should be treated with the same, or greater, respect and gravity with which I treat the laws and standards of my community.

**IMPACT Clinic Information**

USA Volleyball has ruled that all Junior National Qualifier participating coaches listed on the roster must become IMPACT-Certified. IMPACT stands for Increased Mastery and Professional Application of Coaching Theory. Once certified, a renewal is not necessary. The primary IMPACT goal is to help all coaches understand and become well-skilled in the awesome responsibility and incredible opportunity they have to influence young people positively through the sport of volleyball. This course is an offshoot of the Coaching Accreditation Program (CAP), which is under the auspices of the USA Volleyball branch of Educational Programs and Services. The IVA would like to assist all coaches in becoming responsible coaches and to develop a clearer understanding of their responsibility and opportunity. The IVA recommends that all coaches attend at least the IMPACT course, whether or not they plan to participate in the Junior National Championships. Club directors and parents are also welcome and encouraged to attend.

There are two types of IMPACT clinics offered:

1. IMPACT Clinic (in person class) – Offered by IVA
   - All IMPACT Clinics are $75 before the registration deadline and $100 after the deadline, or on-site.
   - All IMPACT Clinics – Check-In for the clinic begins at 5:00 PM.
   - All attendees must bring a laptop, pen and paper to use during the clinic.

2. USAV IMPACT Webinar (online) – USA Volleyball offers many IMPACT Webinars, for more information please visit www.usavolleyball.org for specific dates, times, requirements and registration options.

OFFICIATING
GIRLS DIVISION – OFFICIATING

Teams will be responsible for providing the second referee, two line judges, and three scorekeepers. As availability allows, the IVA will attempt to supply paid certified officials to as many League divisions as possible in all age groups. If a League tournament does not have paid certified officials, the teams must officiate the matches.

- Coaches are required to help their players officiate a match. If a team does not have a player who is certified to officiate, then the coach is required to officiate. **A coach must be at the scorekeeping table when his/her team is officiating a match.** If a tournament director finds a match in progress and the coach of the officiating team is not in the immediate area of the scorekeeping table, the team will start their next match with a 0-13 score. If this is the last match of the day, then the team is fined a minimum of $100.

- All players attending the USAV Junior National Volleyball Championships must fulfill any additional requirements as set forth by the Competition Committee of USA Volleyball. The IVA will be providing raters during the League tournaments upon request. To have your team rated, please complete the form in the National Events section of this Handbook and send it to the IVA Office. For more information on this topic, see the National Events section of this Handbook or check USA Volleyball’s website (www.usavolleyball.org).

- All players, coaches, parents are **required** to attend a rules clinic to play in the IVA Boys League Tournaments.

**More Information on all Rules Clinic options can be found on page** Error! Bookmark not defined.

For the 2015-2016 season, IVA will be offering three clinic options.

1. **Online Rules Clinic**

   Online Clinic administered by the Club Director
   a. As a group – the entire club attends one session.
   b. As an individual – each member completes the clinic online in their own

Teams participating in a National Qualifier (**including the No Dinx Far Western National Qualifier**) or in the Junior National Championships must meet all requirements set by USA Volleyball. These requirements include:

- All coaches must be IMPACT-certified.
- Coaches and players must attend a rules clinic.
- Coaches and/or players who work as a second referee, line judge, and/or scorekeeper must be certified on the court during a sanctioned match.
**Officiating**

It has been the policy of the Intermountain Volleyball Association, IVA Board of Directors, the IVA office staff and the Officials Advisory Group that during league play tournaments

- Club coaches work as the first referee
- Have junior players that have been through the Junior Officials training program as the first referee.
- If you do not have a player that has been through the program, the head coach must be the first referee

Teams are required to provide a first referee, second referee, two line judges, a score keeper, assistant score keeper (Libero tracker) and a visual score board operator for League events. If the first referee is a certified junior official (player) the coach is still required to sit at the score table during the entire match to assist his/her team if needed.

Paid, certified officials will be scheduled at the following tournaments:

- Power League Qualifier
- Power League Regionals
- IVA Bid Tournament
**Significant playing rules changes 2013-2015**

Add to USAV 4.3.3.1: “a) Uniform numbers must be clearly visible and centered (both horizontally and vertically) on the player’s chest and upper back. b) Each jersey must use the same color and number height for all players, except for the Libero’s jersey, which may have different color and size numbers, provided it still meets the minimum criteria stated in USAV 4.3.3.2. c) Color combinations such as purple/black, dark green/black, navy/black, white/light yellow or navy/maroon are not distinctive enough to comply with the rules.”

Add to USAV 4.3.3.2: “In one position, a Libero may serve after the Libero has served, provided it still meets the minimum criteria stated in USAV 4.3.3.2.

Add to 5.3.2: “Should the coach have to leave his/her team for any reason including sanction, but excluding entering the court as a player, an assistant coach may assume the coach’s functions for the duration of the absence, once confirmed to the referee by the game captain.”

Add USAV 7.1.1: “A rotational fault is committed when a Libero serves in a second rotation position in the same set.”

Add USAV 11.2.2: “Encroachment into the opponent’s court with any part(s) of the body is permitted, provided some part of the body remains either in contact with or directly above the center line, and there is no interference with opponents. In addition, completely crossing the center line with the foot, feet or hands, or encroachment with other body parts, must not present a safety hazard to opponents.”

Add to 12.5.2: “A player or a group of players of the serving team make(s) a screen by waving arms, jumping or moving sideways during the execution of the service, or by standing grouped to hide the server and the flight path of the ball.”

Add 15.5.2: “When the substitution is enforced through injury to a player in play this may be accompanied by the coach (or game captain) showing the corresponding hand signal.”

Add to 15.10.3a: “The actual request for substitution starts at the moment of the entrance of the substitute player(s) into the substitution zone, ready to play, during an interruption. The coach does not need to make a substitution hand signal except if the substitution is for injury or before the start of the set.”

Add USAV 19.1.1: “Each team has the right to designate from the list of players on the scoresheet up to two specialist defensive players: Libeross per match or the team may choose to designate one Libero per set.”

Add to USAV 19.2: “NOTE: It is recommended now and required beginning Sept. 1, 2014, the Libero shall wear a uniform top that is immediately recognized from all angles as being in clear contrast to and distinct from the other members of the team. The Libero and his/her teammates shall wear a solid colored uniform top. Regarding the solid colored top:

- The solid color uniform top shall clearly contrast from the predominant color(s) of the teammates’ uniform top. Predominant color(s) is the color(s) appearing on approximately half of the uniform;
- Sleeves shall be the same color as the body of the uniform top;
- Piping/trim not exceeding 2.5 cm (1”) in total at its widest point may be placed along the seams and may be a different color(s) than the uniform top;
- Lettering and collars may be different color(s) than the uniform top;
- Uniform numbers shall be a contrasting color to the uniform top and meet all other specifications in USAV 4.3.3.1.”

Add USAV 19.3.1.3a: “The Libero may not block or attempt to block.”

Add USAV 19.3.1.3b: “In one position, a Libero may serve after replacing the player in position 1.”

Add USAV 19.3.2.1: “In one rotation, a Libero can replace the player in position 1 and serve the next rally, even if he/she is already on the court in replacement of another player. In this situation, the Libero does not have to exit the court before replacing the player in position 1, and there does not need to be a completed rally between Libero replacements.”

Add to 19.3.2.9: “An illegal Libero replacement should be considered in the same way as an illegal substitution: should the illegal Libero replacement be noticed before the start of the next rally, then this is corrected by the referees, and the team is sanctioned for delay; should the illegal Libero replacement be noticed after the service hit, the consequences are the same as for an illegal substitution.”

Add to 19.5.1: “If the Libero is expelled or disqualified, he/she may be replaced immediately by the team’s second Libero. Should the team have only one Libero, then it has the right to make a re-designation.”

Add to 21.1: “Minor misconduct offenses are not subject to sanctions. It is the 1st referee’s duty to prevent the teams from approaching the sanctioning level. This is done in two stages:

- Stage 1: by issuing a verbal warning through the game captain;
- Stage 2: by use of a YELLOW CARD to the team member(s) concerned. This formal warning is not in itself a sanction but a symbol that the team member (and by extension the team) has reached the sanctioning level for the match. It is recorded in the score sheet but has no immediate consequences.”

Add to 21.2.2: “Offensive conduct: defamatory or insulting words or gestures or any action expressing contempt.”

Add to 21.6: “Summary of Misconduct and Cards Used

- Warning: no sanction – Stage 1: verbal warning; Stage 2: symbol Yellow card
- Penalty: sanction – symbol Red card
- Expulsion: sanction – symbol Red + Yellow cards jointly
- Disqualification: sanction – symbol Red + Yellow card separately”
NATIONAL EVENTS
**GIRLS DIVISION – NATIONAL EVENTS**

**2016 USAV Junior National Volleyball Championships**

For complete information on the JNC’s, check USA Volleyball’s website at www.usavolleyball.org. Information on dates, divisions, location, and schedule are located on the site along with information on entry costs, procedures, and hotel accommodations. A complete download of the Pre-Tournament Booklet will also be available. Some of the information may be duplicated on the IVA website.

USA Volleyball requires all teams to register online through their website at www.usavolleyball.org. Teams must meet all deadlines or USA Volleyball will not guarantee a team’s entry. Entry guidelines can be found at [www.usavolleyball.org](http://www.usavolleyball.org). In addition, USA Volleyball may require some paperwork to be sent to them to complete the registration process, or teams may be required to deliver the paperwork upon check-in at the tournament.

Teams that earn bids for the Championships must complete all registration processes by the deadline. Earning a bid does not relieve a team of any requirement. Any unused Open bids will be given by USA Volleyball to teams with high placements at the various National Qualifiers.

All teams participating in the Championships are required by USA Volleyball to have at least one certified second referee, two certified line judges, and a certified scorekeeper. The Rater Request Form can be found in the forms section. In addition, all coaches must be at least IMPACT-certified. Upon request, the IVA will be providing certification raters during the League tournaments. The form should be submitted to the IVA Office as soon as possible.

Once a team has qualified, or attempted to qualify, for a Bid to the Junior National Championships, that team’s roster is frozen. See USAV website for Frozen Roster Verification Rules.

**2016 Girls National Qualifiers**

Information for additional National Qualifiers can be found on [www.usavolleyball.org](http://www.usavolleyball.org)

As a reminder, USA Volleyball may change some of their requirements from what is in this Handbook.

OUTDOOR PROGRAM
GIRLS DIVISION – OUTDOOR PROGRAM

Tournaments
The IVA junior outdoor division offers opportunities to accumulate points during the regular sand season for both junior boys’ and girls’ based on tournament results.

Age
The Junior Sand Division is for ages 21 and under.

Registration
To register for an event, please go to www.imvolleyball.org to register online.

- If you do not have a partner for an event, we can pair you up prior to or at the tournament.
- Time schedule is subject to change based on the site requirements.

IVA Junior Sand Tournaments are designed to be:

- Player administrated – No Coaches –
- Parents are not allowed to officiate.
- Parents are encouraged to provide positive input.

Beach Rules:

1) Games begin by deciding serve and side. Serve and side can be determined by a coin toss, rock-paper-scissors, or other variations.
2) When serving, a player may toss the ball only once.
3) When receiving a serve, players must "bump" the ball, or receive with hands together. Players may not take the serve with open hands, double contact, or lift.
   a. A “down ball” may be taken as a double contact without a violation.
   b. A “free ball” should be taken as a bump. If taken with the hands, it must be clean (No double contact. This contact can be judged similar to the “set” or second contact)
4) When setting, a player must be facing the way the ball travels - i.e. a player may set a ball forward or backward, but may not set a ball over the shoulder to the side. If wind redirects the ball, this is not a violation.
5) When hitting, players may not open hand dink, or “redirect” the ball with the fingers. The hand must be closed or a “roll shot” can be used.
   a. Beach courts do not have a centerline. Players can go under the net, as long as they do not interfere with play on the other side
6) When blocking, if the block contacts the ball, it counts as a contact. The team then has two more contacts to put the ball over the net.
   a. The blocking player may play the ball up after blocking, i.e. take both first and second contacts (same as indoor).
7) When refereeing, the team officiating duties are outlined in the tournament format. Parents are not
allowed to officiate (or keep official score).

a. Primary *Player* Referee Duties:
   i. keep score
   ii. record results in pool sheet
   iii. help with serving order
   iv. help settle disputes (playing teams should *call their own* violations, and call out the score).

8) Any competition disputes are first settled between the teams, then to the referee, if the dispute is not solved, then the teams should ask a tournament official at the tent.

9) Court Dimensions: 8 meters by 8 meters per side, for all age divisions.

BACKGROUND

CHECK POLICY
What is the danger of utilizing a “low cost” database background check to screen volunteers?

2015 case study by: Randy Rodebaugh, President - SSCI

The Compelling Difference
The more reputable and trustworthy background screening companies conduct local county court searches based on address history, which is still the most reliable and due diligent search available. This search is the employment industry standard and has been court tested for decades. If the background screening company is legitimate, they will provide the court house search within the screening program offered. Reputable companies, following industry standards, will add the national database as the supplemental tool and not as a standalone search in the screening program. This allows for a shotgun approach that expands the search and if something is found in the database it is then verified at the county court house level to ensure the accuracy of the information. The majority of all crimes that we uncover (60-70%) are located in the county level search by physically searching court house records.

The Study
A) In order to determine the direct impact of running a “database only” background check compared to the more comprehensive that includes; (1) social security verification, (2) address search, (3) county court house & (4) national database search, we conducted an analysis of all screenings conducted for USAV during the last screening period. USAV members are located throughout the United States and consequently all 50 states are represented in this analysis.

B) Utilizing the USAV background screening results, SSCI analyzed each and every disqualified applicant to determine if the crime would have been captured using the “database only” approach, without any county court house search.

Alarming Findings
Of the 67 disqualified individuals throughout the 2014-2015 screening period, we were able to determine that 27 individuals or 40% of the disqualified applicants would have slipped through the cracks if we had relied solely on the database search.
Below are just a few of the actual crimes that were missed using only the national database search:

- Rape/Sexual Battery/Gross sexual impositions
- Sexual Battery with a student
- Assault & Abuse of a Child
- Exhibit Disturbing matter to minor with intent to arouse
- Indecent Exposure
- Unlawful transaction with a minor

The 40% that would be missed are based on the policy that disqualifies a coach who has been found guilty of sex offenses, violence, felony drugs, multiple drugs and alcohol offenses or crimes against children.

**Conclusion**

The fact is that most organizations want to do the “right thing” and check the risk potential of their adult volunteers. What many organizations do not know is that there are companies that will take advantage of this need, by offering substandard “national background checks” at what looks to be a very attractive low cost.

The risks are high and by utilizing a national database as the only source of criminal record checks, the organization is missing 50% or even more, of the serious criminal records. This leaves your organization and more importantly, the child at great risk! The idea that an adult who has been convicted of sex crimes, violence or other egregious acts has slipped through the cracks because of a deficient screening process is unacceptable.

In order to meet standards that have been well established and court tested, an organization must ensure that their background screening program includes due diligent court house searches as part of each applicant screening.
## SSCI Background Check vs. Database Only Background Check

Reputable companies, following industry standards, will add the national database as the supplemental tool and not as a standalone search in the screening program.
